MACHI-NORI

KEEP LEFT

Machi - nori is a public bicycle rental system that anyone can use.

You can take out or return a bicycle at any of the 22 docking stations("Cycle Ports") around the city or at the Machi - nori head office.
(bicycles can be returned to a docking station other than the one at which they were initially rented)

- Please be noted that Machi-nori is a unique rental biking service which costs 200 yen per day in case bike is not used constantly.
- However,as long as you get from one Cycleport to another within 30 minutes (bikes can be taken out and returned many times),basic access fee will be 200yen for whole day no matter how many times you use it.

Eligibility Requirements

Eligible persons	You must be at least 140 cm to rent a Machi - nori bicycle.

Hours

※the Machi - nori head office open from 9 a.m. to 6 p.m.

Rental Hours	from 7:30 a.m. to 10:30 p.m.	Return Hours	24 hours (At any Cycle Ports)

Costs

[Rates System]

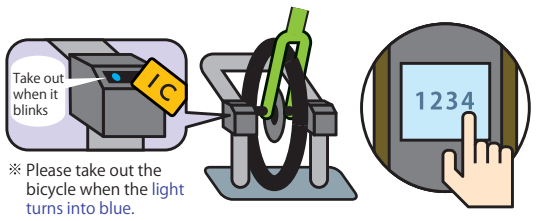
※Pasmo is issued card by Pasmo Corporation Service. Suica is card issued by JR Japan Railway Company Service.

② RENTING A BICYCLE →

Unlock bicycle by Registered IC Card or Issued Password.

IC Card: Tap the card on your desired bicycle's IC reader.

Password: Enter the Password at the touch panel and choose your bicycle.



※ Please take out the bicycle when the light turns into blue.

After registration, within a day you can use the bicycle as many times as you want.

How to use the「Machi - nori」bicycle lock

When you leave your bike somewhere,be sure to lock it and take care of the key.

1 Take the lock and attached wire out of the basket.

2
Pass the lock through the front wheel in the direction of the yellow arrow above.

3
Fit the lock firmly into the protuberance(an irregular round shape part on the right side of the body towarde the direction of travel).

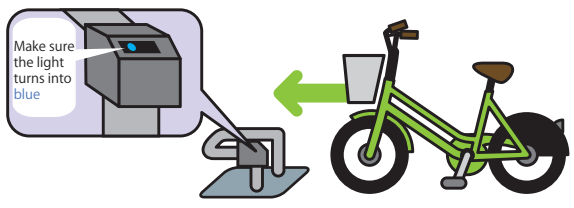
4
Take out the key.
The bike is now locked.

③ RETURNING A BICYCLE

Simply insert the bicycle into the docking device.

! Please make sure the blue light comes on when you return your bike.

※After returning your bicycle ,please check the blue light. Otherwise,you will continue to accumulate additional fees.
※If time exceeds 30 minutes in one usage,additional fee will be charged.



? Follow these steps when all the Cycleports are taken.

● How to return the bike when all the Cycleports are full

Step 1

Park the bicycle next to the Cycleports and use the bicycle's own lock to lock it.

Step 2

At the touch - screen terminal, select the "Full Rack Return" option and follow the instructions.

Select the "Full Rack Return" option.

Scan your IC Card or enter your password.

Step 3

Drop the key into keyhole.

Bicycle Rules

A bicycle is considered a vehicle.
Please adhere to the following safety rules.
in order to ensure a safe bicycle ride.

KEEP LEFT

- As a general rule,bicycles should ride on the road, and only on the left side of the road.
- Please keep to the left side of the road.
- Give way to pedestrians when riding on the sidewalk.
- Adhere to the folliwing safety rules:
  - Drinking and riding is prohibited.
  - Riding with a passenger is prohibited.
  - Don't ride side by as it may hinder traffic.
  - Don't ride through red lights.
  - Stop and check for oncoming traffic at Crossroads and intersections.

We also have Helmet Rental Service.

! Precautions When using the bicycles

- Please respect the bicycle rules(see left colum) and ride safely.
- In order for everyone to be able to enjoy the Machi-nori system, please pay attention when taking and returning cycles to the docking stations.
  If you happen to cause any damage to the cycle due to reckless riding or handling, you may be charged outside of a docking station, make sure to lock it to deter theft.
- If you leave a bicycle unattended outside of a docking station, make sure to lock it to deter theft.
- Please note that in cases of bad weather or maintenance you may not be able to use the bicycles.
- You must bear full responsibility in the case that you are involved in an accident.(Liability insurance under the scope of what is described in the terms of use or accident/liability insurance provided through the TS(traffic safety)system will be applicable in such cases)
